# Asphalt Collect & Go

## Southampton

**Heidelberg Materials Collect & Go is a dedicated service for our asphalt collect customers. We prioritise collect customers, which allows you to quickly and easily purchase your quality-assured asphalt so you can get to your next job.**

Refreshments are available, as well as key tools of the trade including spades, sealants, rakes, brushes and wheelbarrows.

Our loyalty scheme means you now get more out of every visit. You will receive one stamp per visit when placing an order and adhering to site health and safety procedures and, **for every completed card, we'll give you a £10 shopping voucher.**

To find out more, visit  
[heidelbergmaterials.co.uk](http://heidelbergmaterials.co.uk)

### How to collect from us

For standard products in small quantities, such as binder or dense surface courses, just turn up at our Collect & Go plant.

For large orders, specialist products or out of hours collections, call us on  
**07773 940 210**

# Southampton Asphalt Plant

## Health and safety

Our Collect & Go sites can be very busy – health and safety is essential.

### As a minimum, you must wear the following PPE:

- High-visibility long sleeve jacket
- Safety helmet
- Gloves
- Safety steel toe capped boots
- High-visibility trousers

### When on site, please also follow our safety guidelines:

- Report to the weighbridge before being loaded
- Use designated vehicle routes, parking areas and pedestrian walkways
- Comply with safety instructions given by site staff
- Use designated sheeting area/bay to sheet and un-sheet your vehicle
- Switch off your engine and remove the key when leaving your vehicle unattended
- Do not use your mobile phone when driving or walking on site
- Wear ear protection if required in designated areas
- Do not allow gas cylinders to come into contact with hot substances
- Before manoeuvring, check the area around your vehicle for people or hazards
- Seat belts must be worn at all times when inside your vehicle
- Flashing beacons to be used at all times on site

## Products

A full range of standard products (e.g. hot rolled asphalt and pre-coated chippings) are available, along with specialist products like our Tuff, Dura, Duralayer Multi, Sports and era® ranges as well as Airfields.
